YOUR VOTE MATTERS - REGISTER NOW

The UK general election will be taking place on Thursday 4 July. In order to be eligible to vote, you need to be registered by Tuesday 18 June at 11.59pm.

Students are able to register to vote at both their home and term time addresses, however for the general election, you can only vote in one local authority area. If you have not yet registered to vote, you will need to go to <https://www.gov.uk/register-to-vote> - it takes five minutes and will allow you to have your say in the upcoming general election.

Reasons to register and get voting:

1. You have the power to make a difference, and the policies made today will have a direct impact on your life
2. It is your legal right to vote, and exercising that democratic right is one of the most powerful ways you can be a force for change
3. You can have a say in the issues that matter to you - this vote will be relevant to both your local leadership, as well as who holds power in parliament
4. It's so simple - it can be done online in just a few minutes; all you need is your National Insurance number (which can be found on payslips, P60 forms, or letters about tax, pension or benefits), your date of birth and the address at which you're registered to vote

From 4 May 2023, voters in England need to show photo ID to vote at polling stations in some elections, so take a look at the accepted forms of photo ID at <https://www.gov.uk/how-to-vote/photo-id-youll-need> so you don't miss out.

Still struggling to register? The Student Green Office will be in Touchdown Café 10am - 1pm on Tuesday 11 June to help you register or give you all the information you need to do it at home.
