

## Graduation Invitation Process 2018/19

In April annually programmes are confirmed to ceremony dates and information is published to the graduation webpages. Students are not able to choose their graduation date. Any student studying a combined honours degree will graduate with the first subject confirmed by the exam board. See guidance for combined honours graduations [here](#).

At least 9 weeks prior to graduation date, Records & Examinations Teams within Planning & Academic Administration update student records for invitation to graduation. Graduation Team begin to download student information for postal invitations.

### Invitation Criteria

The Graduation Team must receive notification that a student has completed their studies from the relevant Records & Examinations Team no later than 9 weeks before the ceremony in order to process invitations in good time.

For September Ceremonies only: Students who complete via the July Reassessment Boards and are due to graduate in September will have a shorter RSVP window and will be invited via email from the Graduation and Events Office. Students due to graduate in January in the following year will be invited via the post with their cohort 8 weeks before the ceremony.

Any student with outstanding finance/DBS/quals/ID/Occ Health will not be invited to graduate.
